PROFILE

My work pivots on creating and delivering high-quality content of meaning. I find raw ideas exciting to actualise and thrive on capturing people through words, prompting them to care and actively engage. Passionate about helping others and creating work of substance, I firmly believe in collaboration, optimism and being a self-starter.

EXPERIENCE

FUNDRAISING COPYWRITER

Hearts & Minds, Edinburgh - June 2018-Dec 2019

Composed and implemented strategic documentation for digital fundraising purposes including detailed reports and planning. I led community engagement, researched fundraising opportunities and managed volunteers, in addition to representing the charity at events as they arose.

SENIOR COPYWRITER

Care Sourcer, Edinburgh - June 2017-April 2018

Built branding frameworks, content strategy and managed content across multiple channels as well as researching and devising weekly online articles. Conducted user research and mapped out their journeys before implementing the learnings within marketing strategy.

CREATIVE COPYWRITER

Freelance, Berlin - Nov 2015-June 2017

Created concepts and crafted copy for articles, newsletters, campaigns, landing pages and apps, alongside providing strategic brand consultation, advanced marketing plans and on occasion management of other writers.

CREATIVE LEAD

Tailor & Tales, Berlin - Oct 2013-Nov 2015

Delivered content for online lifestyle magazine while driving art direction (photography, mood videos) and brand development. Managed the marketing team and freelancers alongside all communications with creative agencies.

DESIGNER & FOUNDER

Sonnet London, London - March 2011-June 2016

Designed and produced a bespoke necklace service sold both online and in-store after securing funding from David Cameron's Young Entrepreneurs Scheme. Built the brand from scratch and hired three members of staff.
